EXPERIENCE

Support Specialist — Margrave Cloud Helpdesk

Jan 2024 - Present

Leipzig, Germany

Handle inbound customer tickets for a subscription platform, triaging issues and guiding users through resolution steps. Coordinate with engineering on recurring defects and maintain the internal troubleshooting knowledge base. Act as the first point of contact for high-priority accounts during business hours.

Customer Support Associate — Brightfen Service Desk Group

Feb 2022 - Dec 2023

Halle, Germany

Resolved day-to-day support requests across chat, email, and phone for a mid-sized client base. Documented common problems into reusable templates that cut average handling time for the team. Escalated complex cases with detailed reproduction notes so they could be picked up smoothly by senior staff.

EDUCATION

Bachelor of Arts in Business Communication and Service Management

2019 - 2021
